April 12, 2017

You have requested that J.V. Converting Co. Inc. (JVCC) provide you with information pertaining to the RoHS compliance of a tape product we have sold to you. In response to your request, please be advised as follows:

RoHS Compliance Statement

We declare that the products listed below comply with The European RoHS Directive 2002/95/BC (Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment) which effectively prohibits the following substances in electrical and electronic equipment by July 1, 2006:

Lead (Pb) < 1,000 ppm
Cadmium (Cd) < 100 ppm
Hexavalent Chrome (Cr VI) < 1,000 ppm
Mercury (Hg) < 1,000 ppm
Polybrominated Biphenyls (PBB) < 1,000 ppm
Polybrominated Diphenyl Ethers (PBDE) < 1,000 ppm

The impurity threshold used to verify compliance is based on percent weight of regulated material per homogeneous/individual material. Homogenous material means a unit that cannot be mechanically disjoined in single materials.

According to our actual knowledge and to the information given by our suppliers, we hereby certify that the following part(s), as supplied by J.V. Converting Company Inc., conform to the European RoHS Directive as described above.

Item Number(s):

DC-UHB80

We trust this addresses your concerns.
