

# PM220

## PERMANENT MARKERS FOR PROFESSIONALS

The Salamander® PM 220 Series is a six inch durable-poly barrel permanent marker with dual tip design to maximize usage. The barrel is now made with a new hi-vis fluorescent durable-poly design.

- Waterproof markers for tough environments
- Heavy-duty chisel felt-tip and fine felt-tip on other end with reinforced nib construction.
- Works great for marking on **wood, metal, plastic, paper and more.**
- Fast drying with fade resistant non-toxic permanent ink
- Marker lids secure easily to end of other lid cap
- 6-inch high strength poly barrel is leak-proof
- Sold in **box of 12 markers** each
