

CP 130/FrogTape® Painter's Tape – Pro Grade

For those who demand premium paint line performance priced for the pro, CP 130/FrogTape® Pro Grade painter's tape delivers. A multi-surface tape solution designed for masking cured painted walls and trim, glass and metal, CP 130/FrogTape Pro Grade painter's tape combines the value of a traditional blue painter's tape with exclusive PaintBlock® Technology, which forms a micro-barrier to seal the edges of the tape to prevent paint bleed and deliver the sharp paint line performance you expect from FrogTape. Featuring a premium adhesive, UV resistance and 14-day clean removal from most surfaces, CP 130/FrogTape Pro Grade painter's tape is the only blue tape good enough to be called FrogTape.
