Partners in developing pressure sensitive tapes for the A&E marketplace

### PRO-CABLE PATH<sup>®</sup>

#### APPLICATION

A premium vinyl coated cloth tape that is coated on both edges with a premium cured rubber adhesive system. The center portion has a smooth surface for pulling cable and wire through. The high performance adhesive will hold firmly for extended periods of time on most surfaces and remove without residue.

#### FEATURES AND BENEFITS

- Available in yellow, yellow printed, yellow safety stripes, and black.
- Matte gaffer backing for low reflectivity of light.
- Hand tearable backing across the web.
- High adhesion mass with gaffer adhesive removes cleanly.
- Smooth center allows for repositioning cable.

#### TECHNICAL DATA

- Backing: Premium cotton weave.
- Adhesive: Cured rubber resin.
- Total thickness: 12.5 mils.
- Adhesion: 95oz. Per inch (coated edges).
- Tensile: 45 pounds per inch.

**Note: The above are typical values and should not be used in writing specifications.**
