

# FROGTAPE®

The only painter's tape with exclusive PaintBlock® Technology

Introducing FrogTape, the newest innovation in professional painter's tapes, and it's now available at Sherwin-Williams. FrogTape is the only multi surface painter's tape with exclusive PaintBlock Technology. This technology prevents paint from bleeding by forming a micro-barrier along the edges. So you get a fully sealed tape edge resulting in the sharpest paint lines possible.

- > Exclusive PaintBlock Technology seals tape edge for a perfect finish
- > Ideal for use on trim, cured painted walls, woodwork, glass and vinyl
- > Innovative plastic canister protects tape edges for long life
- > Removes cleanly up to 21 days; Withstands direct sunlight up to 7 days
